

[BlueSnap publisher guideline](#)

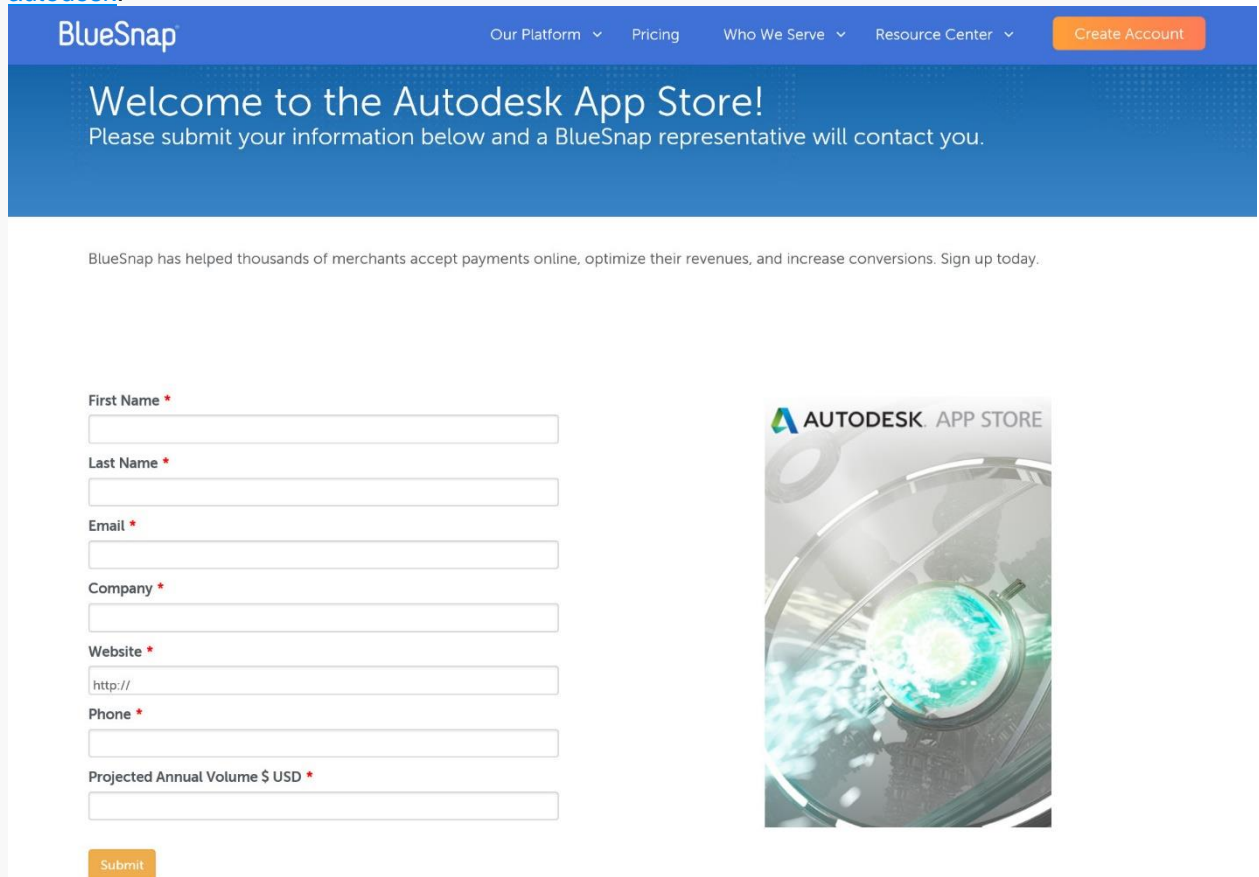

BlueSnap is a global payment gateway that allows your customers to pay for your app in the Autodesk App Store marketplace with a wide range of payment options making it easier for customers worldwide to buy your app.

Get started in 3 steps:

- [Create your BlueSnap merchant account.](#)
- [Configure your account.](#)
- [Configure your BlueSnap settings on Autodesk App Store.](#)

1) Create your BlueSnap® merchant account

- Fill out the "Get Started Now Form" <http://home.bluesnap.com/ecommerce/partner-referral-autodesk>.

[Submit](#)

- Soon after you submit the form a BlueSnap representative will send you an email with the full merchant application form that BlueSnap uses for KYC (Know Your Customer) compliance to enable BlueSnap to process payments for you. Please send it back with the requested info and attachments:
 - A government issued ID (passport or driver's license)

- Your company's Article of Incorporation, or equivalent local document
- A voided check or a letter from your bank verifying your bank account details
- Along with the full merchant application you will also receive access to the BlueSnap Console in Test mode. Your BlueSnap Console will be upgraded to production mode after your merchant application is fully completed and approved.

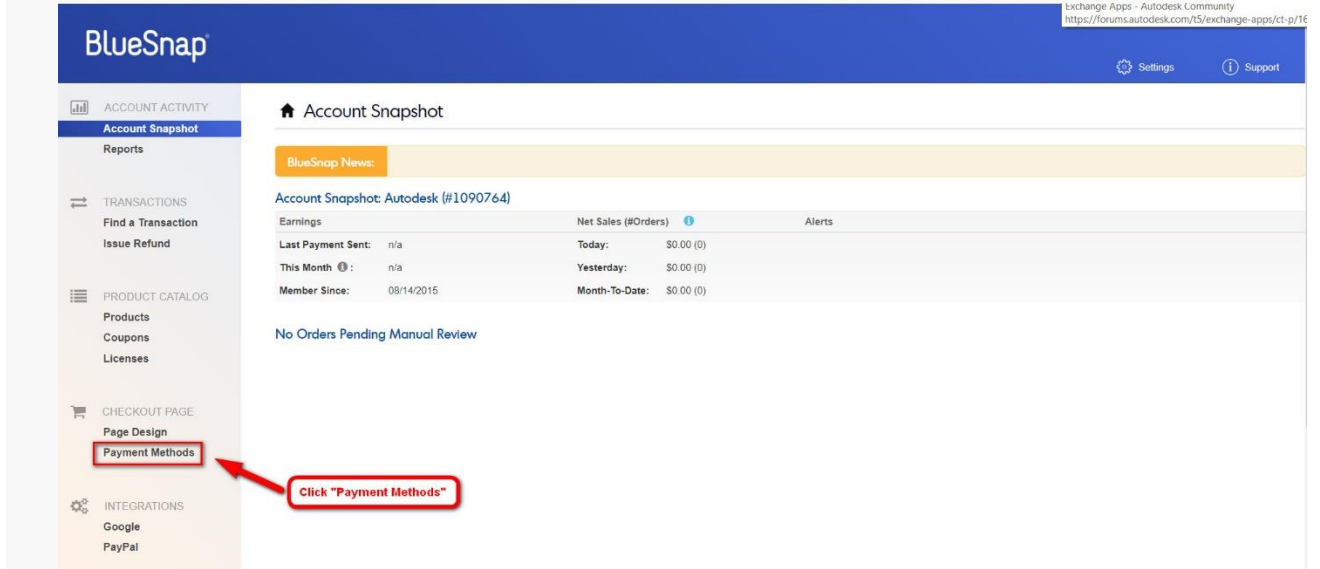

Note: The BlueSnap Console is where you will set up your products, pricing, and payment information. You can begin the configuration step while it is in test mode.

2) Configure your BlueSnap® account settings

These instructions will help you set up your BlueSnap Console to work with the Autodesk App Store. You may configure while in test mode or production mode.

- Login to your BlueSnap Console, https://cp.bluesnap.com/jsp/developer_login.jsp.
- Configure your purchase flow encryption and settings

- Click "Payment Methods"

The screenshot shows the BlueSnap console interface. The top navigation bar includes the BlueSnap logo, a settings icon, and a support icon. The left sidebar contains several menu categories: ACCOUNT ACTIVITY (Account Snapshot, Reports), TRANSACTIONS (Find a Transaction, Issue Refund), PRODUCT CATALOG (Products, Coupons, Licenses), CHECKOUT PAGE (Page Design, Payment Methods), and INTEGRATIONS (Google, PayPal). The 'Payment Methods' option is highlighted with a red box, and a red arrow points to it from a callout box that says "Click 'Payment Methods'". The main content area displays the "Account Snapshot" for Autodesk (#1090764), showing a table of earnings and net sales data. Below the table, it states "No Orders Pending Manual Review".

Earnings		Net Sales (#Orders)		Alerts
Last Payment Sent:	n/a	Today:	\$0.00 (0)	
This Month @:	n/a	Yesterday:	\$0.00 (0)	
Member Since:	08/14/2015	Month-To-Date:	\$0.00 (0)	

- Choose the payment methods you want to support

The screenshot shows the 'Payment Methods' configuration page. On the left is a sidebar with navigation options: 'Issue Refund', 'PRODUCT CATALOG' (Products, Coupons, Licenses), 'CHECKOUT PAGE' (Page Design, Payment Methods), and 'INTEGRATIONS' (Google, PayPal). The main content area is titled 'Payment Methods' and contains a list of payment methods, each with a 'Show' or 'Hide' dropdown menu. The methods listed are: Card Payments (All card brands and types enabled), Visa Checkout (Disabled by BlueSnap), MasterPass, Apple Pay (Disabled by BlueSnap), Google Pay (Hide), PayPal (Hide, with a note to configure PayPal Settings), Local Bank Transfer, Wire Transfer, Real-time Bank Transfer, Electronic Check (ECP) (Only for USA), Skrill (Moneybookers) credit card, and PaySafeCard. A 'Data Protection Key' field is at the top, and a 'Submit' button is in the top right.

- Click "Submit" to save your Payment Methods.

Important! Do NOT change the data protection key on this page.

3) Configure your BlueSnap settings on Autodesk App Store

- Log in to Autodesk App Store and go to your "Publisher Corner" page.
- Enter your BlueSnap account ID (do not include the "#"). BlueSnap account ID can be found in BlueSnap Console.

The screenshot shows the BlueSnap console interface. The top navigation bar includes 'BlueSnap', 'English', and 'Logout'. The left sidebar has sections for 'ACCOUNT ACTIVITY' (Account Snapshot, Reports), 'TRANSACTIONS' (Find a Transaction, Issue Refund), and 'PRODUCT CATALOG' (Products, Coupons, Licenses). The main content area is titled 'Account Snapshot' and shows 'Account Snapshot: Autodesk (#1090764)'. A red box highlights the account ID '1090764' in the 'Account Snapshot' section, with a red callout box pointing to it that says 'You can find your BlueSnap account ID here'. Below this, the 'Payment Platform' section is visible, with a red box around the 'Account ID' field containing '1090764'. The 'PayPal account' field is empty. At the bottom are 'Save' and 'Cancel' buttons.
